### Allstars rock the SD Auto Show

It was a great show overall and the Int. Allstars were there in full force bringing the Heat. Everywhere you looked we had a nice show, race, VIP vehicle in every area. The Ultimate ride's expo upstairs seemed to be a hot spot bringing the crowds from downstairs to see many high profile, fixed up vehicles along with entertainment throughout the weekend. The Allstars Fashion show was a hit with the Marketing Queens in attendance walking the stage in High fashion clothing. Michelle Waterson, one of the Allstars Marketing queens played many roles that weekend along with winning first place in the bikini contest and being on the front cover of D-sport Magazine this month on news stands now!!!! The Allstars also introduced a Rock band to San Diego that turned out good and a bit different all the same. Traffic seemed to be up from last year and spirits were high while people got a chance to see new things this year in 2009. Downstairs in the Mazda Booth the Allstars had the only Drift car of it's kind throughout the entire show and it displayed very well on a platform of it's own. See pictures of the nice display!!! Allstars would like to thank all it's sponsors/partners and staff for helping work this event and providing support for the vehicles. Together we all achieve more and this event is a perfect example during times we face today. The guys at Extreme Autofest deserve a lot of credit for running a first class event with lot's of entertainment to add to the show, worth every dollar plus more. One of the best shows/events we attended in a very long time!!!!!! Hope to see you next year as we plan to make it bigger and better, be on the look out for more events or coverage on [www.teamallstars.com](http://www.teamallstars.com)
